Re: Dalton Trucking v. EPA (9th Circuit Case No. 13-74019)

Dear Administrator Pruitt:

I wrote as the owner of one of the ten petitioners in the referenced case on April 20, 2017. I am aware that you have requested and received permission to delay the oral arguments scheduled for May 18, 2017. I assume that it is because you wanted to take the time to review what the previous EPA had done or not done prior to presenting your arguments, perhaps due in part to my letter.

This letter is an update of Delta Construction Company, Inc.

I closed the doors on June 1, 2017. All equipment was auctioned off at Ritchie Brothers Auctioneers on June 6, 2017. This 73 year old family business was put out of business by regulations implemented by the California Air Resources Board.

Sincerely,

Skip Brown
Owner
