**The Front Sight Firearms Training Institute**, located about a one-hour drive from Las Vegas, is a world premier resort for learning firearms skills and safety. You must pass a background check to participate. See [www.frontsight.com](http://www.frontsight.com).

The Nevada National Security Site is a U.S. Department of Energy reservation located in southeastern Nye County, Nevada, about 65 miles northwest of the city of Las Vegas. First known as the Nevada Proving Grounds, then as the Nevada Test Site, N2S2 was established on Jan 11, 1951, for the testing of nuclear devices. It covers approximately 1,360 square miles of desert and mountainous terrain. The tour is now restricted to U.S. citizens only.

South Point Hotel and Casino, in addition to dining, entertainment, and gaming, features a unique Equestrian Center, which is the finest horse facility in the country.

### WELCOME RECEPTION

A welcome reception is planned for Friday, Aug 24, at the hotel, 7:00 – 9:30 PM.

### CONTINUING MEDICAL EDUCATION

The Association of American Physicians and Surgeons (AAPS) will supply a certificate of participation for CME credit. This is not accredited as AMA/ACCME Category 1, but is accepted in some states for at least part of the CME requirement for license renewal.
