Dear Dr. Froines:

It is my distinct pleasure to appoint you as Chairman of the State's Scientific Review Panel. Your many years of service on the Panel and serving as Vice Chair will provide the experience needed to address some of the challenging issues that will come before the Panel. I am confident that your leadership will guide the Panel well in its deliberations and recommendations to California Environmental Protection Agency's (Cal/EPA's) Boards, Departments and Office.

Under Health and Safety Code 39670 (c), I can appoint you as the Chairperson concurrent with your appointment by the Speaker of the Assembly. Appointment as the Chairperson does not alter the term of your appointment. In this regard, if I may be of assistance in supporting your re-appointment to the Panel next year, I would be pleased to do so.

Please accept my sincere congratulations. I am confident that California will be well served by your chairing this prestigious panel of scientific experts. The Air Resources Board Chairman, Alan C. Lloyd, Ph.D., will be contacting you with additional information about the duties and responsibilities of the Chairman of the Scientific Review Panel.

Sincerely,

Winston H. Hickox
Secretary for Environmental Protection
