Dear Dr. Enstrom,

Thank you for bringing this matter to my attention. Several of the PDF documents cited in your message include language on their first page regarding WSCUC's third-party comment review process. As that language states, WSCUC Commission staff reviews such comments and

“will determine the appropriate course of review and action on the comment which may include, but is not limited to: sending the information to the institution, with or without the commenter's name for its information or follow up; referring the information or a summary of issues to a future review team; holding the information in a file for future reference, or disregarding the information and taking no action.”

The WSCUC accreditation visit that took place this fall preceded every third-party comment referenced by your message. As a consequence, the team had no opportunity to consider these comments in their report, and UCLA was not asked to respond to them. The action letter you read focused on what the Commission learned from the team report, which is a standard WSCUC practice.

I direct your attention to pages 6 and 7 of the [WSCUC Complaints and Third-Party Comments Policy](#), which provides additional information about how WSCUC staff processes comments. As UCLA's WSCUC Accreditation Liaison Officer, I will defer to their procedures.

Best wishes to you for your health and safety during the present circumstances with COVID-19.

Sincerely,

Patricia A. Turner

Dear Vice Provost Turner,

I have recently reviewed the UCLA Reaccreditation Website (<http://wscuc.ucla.edu/>) and I have read both the February 26, 2020 [WSCUC Commission action letter](#) and the December 13, 2019 [WSCUC visiting team's report](#), which affirmed the reaccreditation of UCLA. Unfortunately, the action letter and the report do not address the issues raised in the following eight Third-Party Comments to WSCUC regarding UCLA:

November 4, 2019 Enstrom Comment on Multiple Violations of UCLA Mission
(<http://www.scientificintegrityinstitute.org/WSCUC110419.pdf>)

November 5, 2019 Groseclose Comment on Leaving Endowed UCLA Professorship
(<http://www.scientificintegrityinstitute.org/WSCUC110519.pdf>)

November 25, 2019 NAS Comment on Wrongful Termination of Enstrom by UCLA
(<http://www.scientificintegrityinstitute.org/WSCUC112519.pdf>)

November 27, 2019 Brown Comment on UCLA Destruction of California Businesses
(<http://www.scientificintegrityinstitute.org/WSCUC112719.pdf>)

December 17, 2019 Mac Donald Comment on UCLA Diversity Delusion Policies
(<http://www.scientificintegrityinstitute.org/WSCUC121719.pdf>)

January 13, 2020 Enstrom Comment re Thomson and Bainbridge on Destructive DEI
(<http://www.scientificintegrityinstitute.org/WSCUC01130.pdf>)

January 16, 2020 ZOA Comment on Failure of UCLA to Address Antisemitism
(<http://www.scientificintegrityinstitute.org/WSCUC011620.pdf>)

January 20, 2020 Montoya Comment Expressing Concerns of Former UC Regent
(<http://www.scientificintegrityinstitute.org/WSCUC012020.pdf>)

Please let me know if WSCUC asked UCLA to respond to any or all of these Third-Party Comments. Also, please let me know if you are willing to discuss these comments with me and others who submitted comments.

Thank you very much for your consideration and response.

Sincerely yours,
